Date:

Dear <Mr./Ms. First Name Last Name>,

I am known for entrepreneurial vision and translating vision into revenue generation and productivity, thriving in a diverse and fast-paced executive environment. I learn that <Company Name> is on the look out for a senior <Position Name>.

In my current position in <Current company name> I substantially drive revenue growth by utilizing my expertise in Sales process improvement, new business development, product expansion, and revenue enhancement strategies. I am confident that my application of these and my many other qualifications would be an asset to your company.

What will interest you most about my credentials, is my high record of surpassing set expectations impacting market share and internal improvements, plus an unusual record of innovative ideas that has consistently sparked potential increase in gross profits and increase in client base.

A few of my key skill sets that will add value to <Company Name> team are:

- Conceptualizing and implementing strategic initiatives to propel the achievement of corporate goals and objectives, drive revenue increases, and expand business development opportunities.
- Leveraging dynamic talents through resource management, market expansion direction, sales forecasting and allocation, while concurrently innovating and implementing key process improvements to boost efficiency and productivity.

With my proven dedication to optimizing corporate success, along with my acute ability to excel within challenging, objective-focused environments, I am prepared to contribute immensely to the success of your <Company Name> as your next <Position Name>.

I will call you on <Specify a date> at <specify the time> to schedule a day of mutual convenience to schedule a meeting for an in-person discussion. However, please feel free to reach out to me if you wish to schedule a meeting earlier than what I have proposed.

Best

Deepak Josey

Who am I?

An experienced strategic Sales Leader with a talent for nurturing high performance, multi functional teams with an inherent need of delivering results in collapsed time frames. Successful track record of turning around and building businesses / markets through insightful strategic interventions and sharp execution. Multi Industry Experience (Real Estate , Consumer Durables, Safety) with deep knowledge of B2B and B2C space enhancements coupled with International market exposure, primarily in brand management, ROI, Global Penetration, Sales and Marketing.

What am I Offering?

I am offering 10+ years of experience with a strong foothold in growing brands and nurturing new launches. I have a proven track record of formulating unique strategies, brand communication, creative campaigns (some of them probably first time in the segment) in an over crowded brand generic market where building and managing a high performing sales team is pivotal. Firm believer of differentiated strategies, activities and communication to build brands. Keen and have abilities to understand the root cause of any issues and thereby formulating strategies to bring success in brands at any stage of PLC. Strong follower of trend analysis and market research (primary and secondary) for finding insights for actions. I care about developing individuals to their highest potential.
